3 Chairs report: - Joe said the year had been a success, thanking Bobbie and Paul for the way the competition was organised, also thanked Matt, Jeff and Alex, for the work they had done during the year.

It was important that all clubs send qualified officials to the galas, it is important due to the licensing of the galas.

Joe had emailed all clubs inviting them to continue in the league this year, we have 17 clubs which means we have a space available.

4 Treasurers report: - Jeff circulated his report which will be kept on file for anyone to view, the bank balance at 31/08/24 stood at £10,883.13p.

Jeff reported that the cost of some pools was extremely high, highlighting Alfreton which cost £522.00 to hire for a gala, we will have to keep an eye on that in the future.

Joe proposed that the admission fee to galas should be increased to £5 for adults with children admitted free, this was seconded by Jeff, all agreed.

Next year we should consider increasing the team entry to £ 30.

5 Competition officers report: - Paul and Bobbie circulated a comprehensive report which is held on file and will be circulated with the minutes.

They were thanked for the web site which they had set up, and the way the year had been conducted, this year was finding out a lot about things which will be a big help for 2025.

Paul said to bring the rules in to line the Male category will have to be changed to Open/ Male.

A discussion took place on league rules after a question was asked about seeding, Ian mentioned that we could look at doing what the Arena league is doing now, the top 6

clubs of the previous year's competition are seeded from the start, this would have to be brought in as a change of rules, any change of rules must be sent to the league Secretary no later than the 1st September.

Matt McKeaney who did a fantastic job this year finding the main officials for the gala is to continue for next year, Paul commented that he would not be able to continue with the job if he had to find the main officials as well.

The £25 licensing fee was mentioned, all clubs are due to pay this to SE if they participate in Licensed galas.

Jeff said that he did not receive any requests for Referees expenses, even although they can do so.

6 Change of rules: -

The proposal for 3.6 was accepted

All profits from gala's should be paid to the league Treasurer within 14 days of the gala taking place.
